

CAFE SQUARE

UPDATE

We are actively collaborating with City Officials and respective contractors to reopen impacted tenants as soon as possible.

We anticipate a phased reopening plan to begin sometime this summer.

Currently, Onezo, Smoothie Island and United Tractor Trailer are open for business.

During this process, we encourage all customers to visit these open dining locations:

110 Grill (check out their new Lighter Fare menu)

Cinnabon

Frozen D Lite

Fruity Bubble

Halal Platters

Milkshake Lovers

Monsoon Bistro Asian Cuisine

Mrs. Fields

Pretzel Maker

Round 1

Starbucks

Sumo Japanese Steakhouse & Sushi Bar

Tutti Frutti Frozen Yogurt.

Additionally, we are excited that a Chick-fil-A pop-up is now serving portions of their menu on the upper level by the glass elevator.
